Hemi Himmler

Product Designer

Richmond, VA · 804-306-4696 · hemi.himmler@gmail.com · seven-seven.me

Summary

Product Designer working across user research, usability testing, interaction design, prototyping, design systems, and high-fidelity UI. Focused on turning complex workflows into clear interfaces, with attention to typography, layout, and accessibility. Background includes many years at Apple and Meta leading projects, mentoring teams, and solving problems alongside users and cross-functional partners.

Experience

Seven Seven (Freelance) · Product Designer · Jan 2025 - Present

- Designed and shipped GAFK - Stand Up Reminder, a macOS app on the Mac App Store, owning product and design decisions; built with Claude Code, Xcode, and Figma
- Partnered with a physical therapist to design SnowPrep, a mobile training app for snowboarders, shaping exercise content and flows
- Ran user interviews and usability testing with 12 participants for SnowPrep, iterating across 3 rounds to refine navigation and workout flows
- Designed an educator dashboard for an EdTech client (NDA), turning student performance data into a view that helps teachers spot which students need attention first
- Use Figma Make, Claude Design, and Claude Code to explore ideas and move from concept to working prototype

Luck Companies · Senior Support Technician · Jun 2023 - Jan 2025

- Led technical projects, including the expansion of the Executive Wing and new office technology deployments
- Created how-to guides and documentation that helped over 200 employees learn new tools and security practices

Meta · Field Support Lead / Enterprise Support Technician · Oct 2015 - Nov 2022

- Led technical projects supporting 14 office builds and upgrades across 11 existing locations
- Coordinated field operations by matching technicians to project priorities
- Helped build internal tools and processes that reduced support requests by 35%
- Trained technicians, onboarded employees, and maintained infrastructure standards across the PNW region

Apple Inc. · Instructional Designer / Lead Creative / Lead Genius · Oct 2003 - Oct 2015

- Built training content and mentoring programs used across all US Apple Store locations
- Mentored and onboarded employees while supporting technical operations
- Designed and delivered training programs for customers and employees, from new product launches to market-wide initiatives
- Taught customers through one-on-one coaching, workshops, and group presentations

Musictoday (Dave Matthews Band) · Graphic Designer · Sep 2002 - Oct 2003

- Designed and maintained fan-facing websites and digital assets
- Contributed to merchandise design, photography, and visual direction
- Supported fan club operations and created assets used in marketing and merchandise

VCU · Adjunct Instructor - Graphic Design Department · Aug 2002 - Jun 2003

- Taught design theory and digital tools including Adobe Photoshop and Illustrator
- Guided students in visual design and composition
