Hemi Himmler

Product Designer

Richmond, VA · 804-306-4696 · hemi.himmler@gmail.com · seven-seven.me

Summary

Product Designer focused on visual design, interaction design, and high-fidelity UI for mobile and web products people use in their everyday and active lives. Work spans user research, usability testing, prototyping, and design systems, with close attention to typography, layout, and accessibility. Background includes over 10 years at Apple and Meta in technical support roles, working directly with users and cross-functional partners.

Experience

Seven Seven (Freelance) · Product Designer · Jan 2025 - Present

- Designed and shipped GAFK - Stand Up Reminder, a macOS app on the Mac App Store, owning product and design decisions; built with Claude Code, Xcode, and Figma
- Partnered with a physical therapist to design SnowPrep, a mobile training app for snowboarders, shaping exercise content and flows
- Ran user interviews and usability testing with 6 participants for SnowPrep, iterating across 3 rounds to refine navigation and workout flows
- Designed an educator dashboard for an EdTech client (NDA), turning student performance data into a view that helps teachers spot which students need attention first
- Use Figma Make, Claude Design, and Claude Code to explore ideas and move from concept to working prototype

Luck Companies · Senior Support Technician · Jun 2023 - Jan 2025

- Led technology rollouts for the Executive Wing expansion and new office deployments, planning setups around how staff actually worked
- Wrote and designed how-to guides that helped over 200 employees learn new tools and security practices, turning technical steps into plain language

Meta · Field Support Lead / Enterprise Support Technician · Oct 2015 - Nov 2022

- Helped build internal tools and processes based on recurring support issues, reducing support requests by 35%
- Led technical projects across 14 office builds and upgrades to 11 existing locations
- Coordinated field operations with cross-functional partners, matching technicians to project priorities
- Trained technicians, onboarded employees, and kept setups consistent across the PNW region through shared standards

Apple Inc. · Instructional Designer / Lead Creative / Lead Genius · Oct 2003 - Oct 2015

- Designed training content and mentoring programs used across all US Apple Store locations
- Planned and delivered training for customers and employees, from new product launches to market-wide initiatives
- Coached customers one-on-one and in workshops, seeing firsthand where people get stuck with technology
- Mentored and onboarded employees while supporting technical operations

Musictoday (Dave Matthews Band) · Graphic Designer · Sep 2002 - Oct 2003

- Designed and maintained fan-facing websites and digital assets
- Contributed to merchandise design, photography, and visual direction
- Supported fan club operations and created assets used in marketing and merchandise

VCU · Adjunct Instructor - Graphic Design Department · Aug 2002 - Jun 2003

- Taught design theory and digital tools including Adobe Photoshop and Illustrator
- Guided students in visual design and composition
